

Information about Infant/Child Seats & Tether Anchors

Children 8 years or older do not need a child seat of any sort.

Infant/child seats can be placed on the Couch or in the Dinette. The dinette can hold up to two infant/child seats and is the recommended location for children under 4 years of age. The Couch is only suitable for children 4 years of age or older. The staff at the rental counter can show the clients the best place in the motorhome to secure the infant/child seat.

In these vehicles, up to 2 infant/child seats can be placed on the seats located behind the driver and so are only suitable options for parties with a maximum of 2 children under 8 years of age:

- Mighty Class B [MB] 20-22ft:

In these vehicles, the only place to affix infant/child seats is the dinette and so are only suitable options for parties with a maximum of 2 children under 8 years of age:

- Mighty Class A [MA] 31-34ft

Tether anchor: Tether anchor is not required in the USA. There is no tether in in any of the Class B or Class A motorhomes. The other motorhome unit types all have have one Tether anchor. Although tether anchor is not required in the USA, if the vehicle has a tether anchor, they are welcome to use it.

Britz USA: Most of the Britz USA motorhomes are equipped with 1 tether anchor, but not all. The Britz vehicles may include class B which are not equipped with a tether anchor. However, since tether anchors is not required in the USA, the Britz vehicles can all hold up to 2 seats for small children or infant or children under the age of 8.
